

TRANSLATION IN THE FIELD OF SPORTS

For several decades, the field of sports has changed and evolved. Thanks to the array of its disciplines, translation in this field requires a specialization in each sport. The translator must, therefore, master the specific terminology in the source language as well as the target language.

Our translation team in this field uses glossaries and terminology databases in order to use the correct vocabulary for each sport and, thus, maintaining a terminological consistency in all communications.

Our communication experts use their in-depth knowledge of sports and the economy, thus enabling us to offer you the following services:

- Press releases,
- Websites and blogs,
- Social media,
- Magazine articles,
- etc.

Generally, companies linked to this sector, as well as institutions, tourism companies, the textile sector and publishing houses require this type of translation.
